**SPECIAL BOARD MEETING**

**CALL TO ORDER:** With a quorum established, Chairman Fletcher called the special board meeting to order at 6:30 PM.

Dr. Glenewinkel thanked the audience for attending, and he and the Board began a discussion about the bond, encouraging community feedback. Many community members participated in this discussion, bringing up the need for a new school and also discussing reasons why some community members disagree with the bond. Jeff Jurgensen, our construction manager, also gave insight to the process after a bond passes and the need of building a new secondary school.

**ADJOURNMENT:** The work session adjourned at 8:30 PM.

Respectfully submitted,
